

First of all thank you to the Mancunian Boxer Club for the invite to judge bitches and to looking after me, secondly to my most wonderful stewards who made my ring run so smooth thank you to Sarah and Charlotte. My entry was one filled with quality bitches not only my final line up but ones that didn't win a class. The handling in boxers is of an exceptionally high standard my only criticism would be movement does leave a bit to be desired with a view hopefully it will improve which im sure it will
