Two super babies at different stages in development.

**1 Kavanagh's Arkeney Endeavour with Marbleton.** Elegant, square, B/W with super reach of neck and correct arch, long sloping shoulders, good front, correct topline and tail set, with correct rear angulation. Lovely, clean balanced head with evident chin and excellent mouth. Clean through the skull, with good rise and correctly shaped eyes. Well-padded muzzle. Moved well for a baby.

**2 Johnson & Pynegar's Sashbob Never Would I Ever from Berwynfa.** Compact B/W with good front, which was balanced to his well-angulated rear, gently sloping topline, and bang on tail set. Good arch to neck, parallel front legs and cat feet. Appealing head with good mouth. Nice profile movement.

### **PD (3,2)**

**1 Van-Beck's Newlaithe Respect.** Really liked this super B/W, who is compact and built along clean lines. Balanced fore and aft with correct tail set and good feet, well-angulated. Front is well filled with parallel legs and clean over the shoulders. Appealing, clean head, loved his expression, he has a good mouth and correct eye shape. Moved very well and at one with handler, holding his topline. A super showman who pulled out all the stops in the challenge. Was pleased to award him RBD and BPIS and will watch his progress with interest.

### **JD (2,0)**

Two very nice males.

**1 Huckerby & Dowell's Boese L'Amore for Norwilbeck Bellchime.** Compact dark B/W, square in outline, stood well over front. Good reach of neck, well filled in front and balanced to well-angulated rear, nice short hocks. Masculine head, clean with evident chin and good mouth. Composed on the move.

**2 Kavanagh's Marbleton in the Mix.** Rangier B/W, with straighter angles front and rear but still balanced throughout. Good topline and tail set. Clean front would prefer tighter feet. Pleasing head with a super mouth and nice big nostrils. Covered the ground well on the move.

### **YD (2,0)**

**1 McDonald's Yeteb Totally Charming.** Dark B/W of pleasing make and shape. Well laid shoulders and good reach of neck. Correctly angulated rear. Gently sloping topline and correct tail set. Nice short back and tight cat feet. Head is masculine with a good mouth and well-padded muzzle. Clean skull and lively expression. Moved well.

**2 Robinson's Ulverbox Magic and Mayhem.** Nicely balanced B/W, albeit a tad longer cast than 1. Well laid shoulders, balanced front to rear and correct tail set. Well filled in front and excellent feet. Stronger in head than 1 but still balanced, and attractive. Moved well.

Quality class full of super males

**1 Godwin's Sultash Prince of Hearts.** Mahogany B/W combining substance with elegance. Super front, correct slightly sloping topline and well-angulated rear. Lovely arch to his neck, clean front, feet ok. Beautiful head, with lovely eye shape and excellent mouth. Well-padded muzzle and clean through the skull, perfect lip placement. Moves true from all angles, with precision and holding topline well. Possibly a bit of bodying up still to do, but on his toes at all times, and really draws the eye. A lovely dog, without exaggeration, was delighted to award him BD and BIS.

**2 Woods' Arkeney Conqueror.** Close up to 1, B/W balanced front to rear and on his toes at times. Super reach of neck. Nice short hocks. Another with an attractive head, which was clean, with well-padded muzzle, correct eye shape and kind expression. Another true mover who holds his topline well just could not match the showmanship of 1 today.

**3 Taylor's Newlaithe Absolute Bug.**

### **OD (4,1)**

**1 Godwin's Sultash Cunco.** Compact but still elegant B/W. Super front, which was well-filled, good depth of chest. Clean, arched neck. Well angulated fore and aft with correct tail set. Clean through the head, with well-padded muzzle, big nostrils, and kind expression. Moved steadily.

**2 McDonald's Yeteb Hey Diddle Diddle JW.** Cobbier B/W in great condition. Excelled in front which was balanced to rear. Good reach of neck but perhaps not as clean as 1. Nice tight feet and clean shoulders. Masculine head, with pleasing, alert expression. Excellent mouth. Moved well.

**3 Johnson & Pynegar's Berwynfa Fifty Shadz Freed**

### **VD (3,0)**

Three super veterans put down in excellent condition and a real credit to their owners.

**1 Carter's Lullmire Aaron Dayvue at Susancar.** Just loved this masculine deer R/W elder statesman.

Super clean throughout with arched neck and good strong round bone. Losing his rear a bit now as is inevitable with age. Loved his clean head, he had nice big nostrils and a well-padded muzzle. He has a beautiful kind expression. Moved well. BVIS.

**2 Turner & Murfin's Farvalley Dark Knight.** Compact square B/W male, with a super front which is clean and well filled plus balanced to his correctly angulated rear. Good reach of neck. Topline ok. Pleasing head with enough padding and clean skull. Lively expression. Handled well.

**3 Littlewood & Bowler's Olleyville Stanley Man at Whirlobox**

### **MPB (5/2)**

Sharp outline, with good reach of neck, clean front, excellent rear, tight feet, and correct tail set. Exquisite head with a blocky muzzle and alert expression. Moved very well, holding topline. Super baby.

**2 Woods' Arkeney Enigma.** Balanced B/W, a size up from 1 and giving handler a hard time. Correct front with evident forechest and balanced to rear. Lovely reach of neck, clean sloping shoulders, short back, and correct tail set. At this stage tending to stand at 10-2. Alert, naughty expression, excellent mouth, and well-padded muzzle.

Tight feet, clean shoulders, in gleaming condition. Lovely clean head with well-padded muzzle, clean skull, and excellent mouth. Intelligent expression. Best mover of the day, effortless and ground covering. Looked super in the lineup and could not be denied BB and RBIS, just giving way to the dog in the final challenge. Special girl.

**2 Van-Beck's Diddle on Newlaithe.** Another super B/W, compact, square, balanced fore and aft. A real show off with ring presence. Clean front, correct topline and lovely short hocks. Pretty head which is well-padded with a clean skull. She has a lively Boxery expression. Moved very well.

**2 Turner's Kevanor African Summer at Sonshoby.** Dark B/W, longer cast than 1 but still balanced throughout. Well-angulated fore and aft with a good tail set. Clean over the shoulders but still to fill in front which should come with maturity. Happy show girl with a lively, naughty expression. Pleasing head, still to mature, would benefit from more fill under the eyes.
