

MANCUNIAN BOXER CLUB SPECIAL EVENT
NOVEMBER 23rd 2014
Judge GILLIAN HENDERSON

I would like to thank the committee of the Club for giving me the opportunity of this appointment and for the amazingly welcoming and happy atmosphere at the show which is second to none.

PD6-8mnth

1. Drinkwater's Winuwuk Kiss Tag with Sulez B&W Strong, well grown puppy with super substance and bone. Very pleasing outline and excellent angles all round. Good feet. Clean skull, dark eye, showed and moved well.

2. Smith's Winuwuk Scouting for Girls at Lorossa B&W Litter brother to 1 and they are 2 lovely puppies who are very similar and could easily swap places. Less settled on the move today.

PD8-10mnth

1. Watson & Crooks' Roylark Commander In Chief. Well grown R&W. Plenty of bone, good height of foreleg & sloping topline, strong 2nd thigh & well let down hocks. Head of good proportions, clean skull, evident chin.

2. Mullis' Idleford Prime Suspect B&W dog at a totally different stage of development than 1 and at the moment smaller all round and less muscular but nevertheless still in proportion. Clean skull, dark eye. Good sized teeth in a wide mouth.

PD10-12mnth

1. Huckerby & Dowell's Struck via Norwilbeck Bellchime B&W Square dog with elegant neck, sloping topline & good tailset. Excellent well laid shoulder and parallel forelegs, short pasterns and tight feet. Very short hocks. Head of good proportions, good stop and rise of skull. Straight movement and handled expertly. BPD

2. Godwin's Sultash Moonbeg Dude. Dark B&W Super sharp outline, good height of foreleg, short sloping topline. Beautiful, ultra clean head, dark pigment with melting eyes. Straight, wide mouth. Needs to let down in front.

PB6-8mnths

1. Brown & Hutchings 1. Winuwuk Girl Power, B&W littermate to 1&2 in PD6-8, what a litter. Excellent neck, good topline, good angles front and rear, good height of foreleg and short hocks, excellent feet. Very attractive head, well balanced, good stop and rise of skull. Just flagged a bit in the line up.

2. Clayforth's Sunvalley Touching Wood with Tyslee Golden B&W Elegant arched neck flowing through evident wither to short sloping topline and super tailset. Very good shoulder and correct height of foreleg, excellent feet. Clean skull, good stop and nice straight dentition.

PB8-10mnths

1. Chippendale's Mylicam Moon Maiden. Deer R&W Super stylish puppy who is very ready construction-wise. Correct, square outline, balance of substance and elegance. Dry neck, good spring of rib, short loin and correct tailset. Strong, hammy quarters with wide 2nd thigh. Clean skull with good rise, excellent pigment and evident chin. Powerful, straight movement. On her toes the whole time. Short tight coat & presented in gleaming order BPB & BP

2. Carter's Lullmire Wanda Ring to Susancar R&W Heavier build of bitch, good front and layback of shoulder, deep through chest, good tuck-up and short topline. Clean skull and lovely dark wicked eye. Straight and steady on the move.

PB10-12mnths

1. Dawson' & Miller's Walkon Party Girl at Bonobo B&W Tall elegant puppy who is slower to mature than some here today. Elegant neck, correctly angled and good 2nd thigh. Pretty head with lovely dark eyes. Not really in the mood to show today.
