

MANCUNIAN BOXER CLUB CHAMPIONSHIP SHOW

APRIL 3rd 2016

Judge FRANCES KRALL

I was very honoured to be invited to judge a wonderful entry of Males at the Mancunian Boxer Club Championship Show, my first time awarding CC's to Boxers, and how welcome I was made to feel by the committee and exhibitors, Boxer people are a great crowd. I was very happy to agree with my co-judge that the Bitch CC winner should be Best in Show, and the Puppy bitch should be Best Puppy in show.

VETERAN DOG 7

1st. Bell. Stanryk Day Dreamer At Surfstone

8 year old Brindle, strong upstanding dog in great condition, true front and well ribbed still an enthusiastic mover.

2nd. Star Attraction At Glenauld

Liked this eight year olds expression, he has an attractive outline which he holds well on the move.

3rd. Miller. Ch Walkon Mickey Blue Eyes

MINOR PUPPY DOG 6

1st. Griffiths Sandcliffe Cruising At Lanfrese

The most delightful red puppy, still only a baby at just 6 months, clean head, darkest eyes, well coupled, he has correct angulation fore and aft, he was a joy on the move with true ground covering strides.

2nd. Downing. Stellvana One Direction

Another Red/White puppy typical expression with dark eyes, a taller pup but still square, went well on the move just needs to come up on his pasterns.

3rd. McDonald & Turner Yeteb Hash Tag Frenzy

PUPPY DOG 9

1st. Hyde. Stothard Pure Didley Dokely

Well balanced 9 month Brindle, has a classy head, clean with nice width of muzzle, dark well shaped eyes, he has good bone, stands on tight arched feet, square in outline with correct angulation front and rear, firm topline and well set tail, Best Puppy Dog

2nd. Pynegar. Berwynfa Fifty Shades Darker

Mature well ribbed and bodied puppy, attractive head and expression, firm topline, he has a good turn of stifle and used his quarters well on the move.

3rd. Huckerby & Dowell. Norwilbeck Bellchime Smart Alec

JUNIOR DOG. 6

1st. Mair. Glenauld The Entertainer

Most impressive all male brindle with great bone and tight arched feet, his head is typical and balanced with dark expressive eyes and good width of muzzle, his neck is strong, arched and flows into his firm sloping topline, correct tailset, and good width of stifle, movement was free and sound.

2nd. Flintoft. Boxania Fire Bug

15 month Red & White, really liked his make and shape but found him a touch overdone in head and he could just do with a few more pounds on to complete the picture, he came into his own on the move with sound reachy strides.

3rd. Brown. Taranut Storm Seeker At Keibro

YEARLING DOG 10

1st. Drinkwater. Winuwuk Kiss Tag With Sulez

Super young dog shown in pristine condition, he has a classic Boxer head, good width of muzzle with correct chin and rise of skull, darkest of eyes, he is masculine without a hint of coarseness, stands on tight well arched feet and is balanced all through, sound up and down and strides out in profile, pleased to award him the Res. CC I'm sure he has a very bright future.

2nd. Kelly. Casemates Dumbldore JW

Red/White youngster, typical head & expression, square proportions, well angulated in shoulders and quarters, he stands so true in front but moves rather wide in front on the up and down although impresses in profile movement.

3rd. Mair. Glenauld The Optimist

NOVICE. 1

1st. Cairns, Groves & Hare. Instinctive For Galicar

Very sound 16 month Brindle/white great depth of brisket and well ribbed, strong rear quarters and he moved well.

GRADUATE 6

1st. Morrison Jobaran Marathon Man to Xandene

Golden Brindle, liked his head and expression, he has a wonderful front, strong bone, tight arched feet, enough fore chest and depth of brisket, good topline and he holds his outline on the move.

2nd. Beardsell, Van-Beck & Fielding. Newlaithe The Fugitive

Short coupled Brindle, firm sloping topline with well set tail, masculine outlook, dark well shaped eyes, covered the ground well on the move.

POST GRADUATE. 10

1st. Pearce & Francis. Berwynfa Blurred Lines With Longsdate

Cleanest of heads on this Brindle, dark eyes, nicely padded lips, good rise of skull, he is balanced with well laid shoulders and enough rear angulation, would perhaps like a little more of him.

2nd. Beardsell. Newlaithe Leonardo

Red/White loved his expression and dark eyes wide well padded muzzle, liked his overall make and shape, impressive mover in profile but not so true up and down.

3rd. Payne. Boxania Spice Innovation At Birleyvale

LIMIT DOG 21

1st. Pynegar. Berwynfa Bandit

An impressive and Upstanding masculine Brindle, he has a typical head and expression well set and carried ears, his clean arched neck is set well into his shoulder, he has strong bone, I particularly liked the height at withers, sloping firm topline and bang on tailset, he was alert and demanding attention, I was pleased to award him the CC later to learn this was his third, congratulations.

2nd. Huggins. Daervlish All Because Of You JW

Tall brindle, not the head of the winner but has a strong arched neck, is well boned with a true front and is well bodied, I liked his good width of stifle giving him a powerful rear end which he used on the move.

3rd. Brown & Hutchings. Winuwuk Mario Balotelli

OPEN 16

1st. Pynegar. Berwynfa's Veni Vidi Vici

Another all male Brindle, I see he has the same sire as my Res CC winner, another with grand bone and cat like feet, he stands true with a well filled chest, shoulders and quarters are well angulated, I liked his balanced head, width of muzzle and rise of skull, reachy strides on the move, not as settled in the line up where he had a change of handler.

2nd. Beardsell & Van-Beck. Ch Newlaithe Doodlebug JW

Very well put together Red/White, loved his expression, dark well shaped eyes, ears are well set and carried, his chest is deep, ribs well sprung with a firm sloping topline, stands over the right amount of ground and holds his outline on the move.
