Open Bitch (10 entries)

1st Mair's CH Vandenrob Nina Roche at Glenauld

What a stunning class this was, headed by a super red bitch – unfortunately there are only five places and not to be able to place some beautiful champions was very difficult. It was commented upon that this bitch was red and it was perceived that I may not like red (I do). But if you have a Porsche it doesn't matter if it is blue or red, it is still a Porsche. This bitch certainly purred around the ring. If one is correctly built, the way she is, you can certainly motor without effort. With a beautiful head to die for and with good mouth and glorious expression she was an absolute star. CC & BIS.

2nd Ch Griffiths' Maybe at Lanfrese

Another beautiful bitch, dark brindle and white, also very correctly made with a beautiful head. Moved out very well with excellent drive and reach holding her excellent topline and tailset. The expression of the CC winner just pipped it for me on the day, nevertheless a beautiful and worthy champion.

3rd Miller's Walkon First Class. RCC & RBIS.
