1<sup>st</sup> – McDonalds – Yeteb Totally Charming. A super 13 month brindle who I have admired for some time. Every inch male and so full of himself he cannot be ignored, he certainly keeps his handler on her toes. Well balanced in head with padded muzzle and good mouth, lovely dark eye giving an

expression that just looks back at you with mischievous, playful attitude. He is square and beautifully balanced in front and hindquarters, with evident chest and correct angulation both ends. Crested neck flows into his strong topline and high tailset. Well bodied, ribs well back and short loin. Super bone and tight feet. A true mover from any angle. Presented in super, muscular condition, was very well handled and must surely have a bright future, I really liked him. BSJD.

2<sup>nd</sup> – Jones – Kevanor In The Summertime. Another male I like for his unexaggerated, well balanced outline. He is a smart boy in a slightly small frame to 1, he has evident chest and well angulated quarters, is square with a short back and loin. Very tidy in body. He has a balanced head with a lovely eye and expression. Stands on good bone and tight feet. Again a lovely mover and was very well handled.

#### **Class J – Junior Bitch 12-15 Months (5, 2 abs)**

1<sup>st</sup> – Brown & Hutchings – Winuwuk Silent Witness. A bitch I have often admired ringside and I was delighted she was here today. So feminine. Her head is beautifully balanced and clean, well padded muzzle, good mouth, dark, well shaped eyes with an expression that just melts you. Very smart in outline with super angulation both ends, evident chest, a beautifully bodied bitch who is short coupled and tidy in underline, strong topline and bang on tailset with well developed hindquarters. She looked a picture. Moved accurate and true from all angles. I loved her. She was beautifully handled as always and was in pristine condition. BSJB, BSJ and Best In Event Overall.

2<sup>nd</sup> – Brough – Winuwuk New Tricks at Limubox. Litter sister to 1 and many of the same comments apply to her also. She too is clean and well proportioned in head with the loveliest of expressions. Good mouth. Nicely angulated fore and aft, with good topline and tailset. Movement was steady and true. She was impeccably presented and handled and was just unlucky to be up against her sister today.
