

Mancunian Boxer Club
9th December 2018
Judge: Sharon Spencer (Ashronsha)

Many thanks to the officers & committee of the Mancunian Boxer Club for inviting me to judge at their Special Event show. The venue was superb, as was their hospitality. There was a lovely friendly atmosphere, which made for a thoroughly enjoyable day. I had a lot of quality exhibits and was very pleased with my principal winners.

Class A Puppy Dog (6-8 mths) 6,(5a)

(1) Huckerby & Dowell's Winuwuk Manhattan For Norwilbeck Bellchime, R/B/W, a day off 7 mths. Eye catching baby. Well balanced head-piece, good rise of skull, wide muzzle & excellent mouth. He presented a super square outline, with a beautiful crested neck, slightly sloping top line and bang on tail set. Moved and handled well, was pleased to award him BPD.

Class B Puppy Dog (8-10 mths) 5,(2abs)

(1) Griffith's Lanfrese Jalisco D/B/W 8 mths old. Mature youngster, balanced head, lovely ear set, wide muzzle & evident chin. Good reach of neck leading onto well placed shoulders. He has strong rear angulation, good turn of stifle & well let down hocks. Moved steadily around the ring.

(2) Beardsell, Van-Beck & Taylor's Newlaithe Quintillion, R/W, 8 mths old. Different type than 1, appealing head, correct dark eyes, wide nostrils and evident chin. He stands four squared and is well angulated front and rear, just preferred the substance of the winner.

Class C Puppy Dog (10-12 mths) No Entries.

Class D Junior Dog (12-15 mths) 3,(1ab)

(1) Chippendale's Ross Poldark at Mylicam, D/B/W, 12 mths old. Clean balanced head, dark eyes of good shape & lovely expression. He has an impressive strong crested neck, leading onto correct sloping top line, good tail set and underline, evident fore chest with well angulated front and rear. Unfortunately, he was a bit unsettled on the move in the challenge.

(2) Brown & Hutching's Mirak Poseidon at Winuwuk (usa imp), R/W, 14 mths old. Nice clean head, good ear set, with dark correct shaped eyes and flat cheeks. Short coupled, square in outline. Would like more fore chest and tighter feet. Moved ok.

Class E Junior Dog (15-18 mths) 2,(1 ab)

(1) Brown & Hutching's Winuwuk in the Name of Lust, B/W, just turned 15 mths. Head of good balance, wide muzzle & tight bite. He has a beautiful Boxer expression, good evident fore chest, straight parallel front legs onto the tightest of catlike feet. His square outline shows just the right amount of muscle tone. He moved with purpose, covering the ground well on the move. BSJD

Class F Puppy Bitch (6-8 mths) 4,(3abs)

(1) Brown & Hutching's Winuwuk On The Fizz, B/W, just turned 7 mths. Clean head, lovely soft expression with padded muzzle, wide mouth, evident chin and well set ears. She is square in outline, with good angulation front & rear and nice tuck up. Once settled, she moved well.

Class G Puppy Bitch (8-10 mths) 4,(0ab)

(1) Beardsell, Van-Beck & O'Neill's Newlaithe Just Meghan, R/W, 8 mths old. Loved this girl! Expressive head, with good rise of skull, wide padded muzzle, beautiful dark eyes of correct shape. Broad nose with wide nostrils and excellent mouth. She is so balanced in body, with a well developed forechest, good upper thighs & lovely round bone. The best mover in the class. Pleased to award her BSPB & BSE.

(2) Huggin's Daervlish Elevation, D/B/W, 8 mths old. Another quality bitch of good balance. Head of correct proportions, with evident chin and good mouth. Lovely strong arched neck leading into slightly sloping top line and correct tail set. Good angulations front & rear with no exaggeration and super catlike feet. Just preferred the movement of 1.

Class H (10-12 mths) 4,(3abs)

(1) Beaumont's Beauimres Booyah, R/W, 11 mths. Clean head with correct skull to muzzle ratio, a bit long in cast and would have like tighter feet. Nice crested neck, good top line & tuck up. Moved ok.

Class J Junior Bitch (12-15 mths) 7(3abs)

(1) Huckerby & Dowell's Norwilbeck Bellchime By Chance, R/B/W, just on 12 mths old. Quality bitch, elegant with a beautiful outline, so square and compact, very well off for bone. Balanced head, with alert expression, flat cheeks and good wide bite. Lovely crested neck, strong top line and clean underline. She stands on the tightest of catlike feet. Moved with drive. BSJD

(2) Brook's Jackintabox Just Amazing By Jinnybrux, D/B/W, 14 mths old. Appealing head-piece, good ear set, broad nose and wide muzzle. She has a lovely soft expression, clean strong neck, well placed shoulders with good rear muscled quarters. Slightly longer in cast than 1, moved steady.

Class K Junior Bitch (15-18 mths, 2(1ab)

Brown & Hutching's Winuwuk Looking For Love AI, 15 mths, B/W. Mature quality bitch, so well balanced with good angulations front & rear. Her head is of correct muzzle to skull ratio, with good lip to lip placement and well-shaped dark eyes giving a beautiful melting expression. She is of good substance, well muscled, but still retains a picture of elegance, moved with drive and purpose.
