

MANCUNIAN BOXER CLUB OPEN SHOW

JULY 30th 2017

Judge KEITH THORNTON

What a lovely day, super dogs plus wonderful people. The venue at Lach Dennis must be the best and cleanest rooms for a one breed show. The outside ring was great but due to the weather we judged the bitches indoors. It was good to see Keith Jump looking so well after his illness. I wish Keith & Sandra all the best for their future outside the Club. Overall the dogs were of top quality, my only concern is teeth, some Boxers have teeth like pin heads, with big gaps, some teeth are all over the place. It's up to the breeders to sort this out
